INFORMATION DISCLOSURE STATEMENT

Applicants submit herewith copies of several patent applications and patents of which the applicants are aware, and which may be material to the examination of this application and in respect of which there may be a duty to disclose under 37 CFR 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

This statement is believed to be in conformance with the provisions of 37 CFR 1.97 and 1.98, including submission of the enclosed full text copies of pertinent portions of the references. A completed form PTO-1449, "Information Disclosure Statement by Applicant—List of Items" is also enclosed, listing the cited documents and references for an indication that they have been considered by the Examiner. A copy of the Search Report issued in corresponding to U.K. Patent Application No. GB 0118386.2 is also enclosed.

Additional comments, if any, on the relevance of each reference listed are provided as follows:

A full English translation of Japanese language Application No. WO/01-05291 is not readily available, but an English language translation of the Abstract is attached thereto.

The Statement is made on the basis of the information:

 supplied by the inventor(s);
 X supplied by an individual associated with the filing and prosecution
 of this application (37 CFR 1.56(c)); or
 in the attorney's file.

Respectfully submitted,
